Motherisk Helplines

Motherisk counselors are ready to answer calls and provide information to women, their partners and health-care providers.

Motherisk Helpline proudly sponsored by Shoppers Drug Mart 1-877-439-2744 • 416-813-6780

Provides evidence-based information about the risk or safety of prescription and over-the-counter medications, herbal products, chemicals, radiation, chronic diseases, infections, occupational, environmental, and other exposures during pregnancy and while breastfeeding. Monday to Friday, 9 a.m. to 5 p.m. EST.

Alcohol and Substance Use Helpline 1-877-327-4636

Provides information about the safety or risk of alcohol, nicotine and recreational drugs such as marijuana, cocaine and ecstasy during pregnancy and breastfeeding. Monday to Friday, 9 a.m. to 5 p.m. EST.

The Motherisk Program at The Hospital for Sick Children, provides up-to-date information about the risk and safety of medications and other exposures during pregnancy and breastfeeding. Research and education in the program is also an important ongoing activity.

Motherisk Clinic

Planning and pregnant women come to the Motherisk Clinic in Toronto following exposure to known or suspected teratogens (substances that cause abnormalities in the developing fetus), new and unfamiliar drugs, chronic drug therapy or drugs of abuse. Clinic visits are by appointment only.

Call 1-877-439-2744 or 416-813-6780 or your health care provider can send a referral by visiting www.sickkids.ca/ambulatoryclinics.

The following corporations have provided financial support of \$5,000 or more to Motherisk Programs and/or research since 2011: Beer Canada, Shoppers Drug Mart, Novartis, UCB, Duchesnay (until 2015), and LCBO (until 2014). Funding from these organizations and their customers currently support or have supported Motherisk's research and helplines, but are not associated with the Motherisk Drug Testing Laboratory.

Visit us at www.motherisk.org or get one-on-one counseling through our telephone Helplines and Clinic.
